

Classroom Wish Lists

What is a Wish List?

Dream items that Teachers feel will further enhance the day-to-day activities for all students. Faculty are asked to make their purchases within 30 days of their wish being fulfilled to ensure all students in that class benefit from the donor's generosity.

To Grant a Wish contact the Development Office (706) 543-1621 - Ext. 11 or make checks payable to Saint Joseph Catholic School for the Wish Amount, specifying the Teacher and Grade. You may designate certain items on the Teacher's list or allow the faculty member to choose what to purchase with your Wish List donation.
