

St. Joseph Catholic Parish School Knights Athletic Booster Club

Athletic Needs The Knights Booster Club helps support the athletes and the athletic program of St. Joseph School. Our athletic program is a key ingredient to the continued growth of our school, and maintaining quality facilities is essential for its success. Strong athletics attracts more students, which allows us to provide more after school opportunities and improve our academic programs as well. Even if you are not the parent of an athlete, your support will have a positive impact on all students at SJS. Please consider joining or making any contribution that works for your family!
