## Athletic Needs

The Knights Booster Club helps support the athletes and the athletic program of SJS. With our SJS facilities, our athletic program has the potential to be incredibly successful and a key ingredient to the growth of our school. Strong athletics will bring more students, allowing us to provide more after school opportunities and also improve our overall academics. Even if you are not the parent of an athlete, your support has a greater impact than just on SJS athletics. JOIN TODAY!
