Supporter Member \$50

- Car decal

Athletic Needs

The Knights Booster Club helps support the athletes and the athletic program of SJS. Included in the sports program are basketball, soccer, tennis, cross country, volleyball, and cheerleading. With the new facilities, our athletics have the potential to be incredibly successful and a key ingredient to the growth of our school. Strong athletics will bring more students, improving our overall school finances, allowing us to provide more after school clubs, and even improving our overall academics. Even if you are not the parent of an athlete, your support has a greater impact than just on athletics for St. Joseph.
