

Acceptable Use of Technology Agreement

As a student at St. Joseph Catholic Parish School, I have the privilege of using technology to support my learning. I will demonstrate my understanding and knowledge of technology and acceptable use practices by following the statements below.

General Responsibilities
I understand that <ul style="list-style-type: none">● using technology resources at our school is a privilege and this privilege may be revoked if I fail to use them appropriately.
I will always <ul style="list-style-type: none">● follow the guidelines of the teacher/staff when I use technology.● use websites and apps that are assigned by the teacher and only for educational purposes.
I will never <ul style="list-style-type: none">● share my login information and passwords with fellow students.● try to access an account that is not my own account.
Equipment/Device Responsibilities
I will <ul style="list-style-type: none">● respectfully use and take full responsibility for technology available to me at school.● carefully handle and operate any electronic device while in school.● accept financial responsibility for damage to equipment while in my care.● respect all the technology rules of the teachers and St. Joseph Catholic School.● use the assigned device by the school and I am responsible for the condition of the device while in my care.● always lock the computer screen when I am not insight of the computer. I understand that ANY actions done on a computer is traceable to me and I assume responsibility for those actions.● sign out of any device when I have completed my task or at a time instructed by the teacher.
I will not <ul style="list-style-type: none">● access or use the account of another student or teacher.● attempt to access a secured password.● create, use, display, or store any offensive, obscene, inflammatory or defamatory language, images, games or music.● use my account to act in any negative way that affects another student or teacher.● try to breach the security system of the school network or wi-fi.

Privacy

I understand that specific employees from the school

- have access to information about every web page I visit and all activity on the device.
- may access my school Google account including documents, email and posts.
- have access to all information stored on the device.
- may selectively collect and exam the device at any time without cause.

Ethical Citizenship

I understand that

- my technology use is a reflection on me, my class and my school. I will conduct myself in a way that reflects positively on myself and the community.
- I will be asked by my teachers to review specific websites, communities, YouTube videos and conduct research. I will only use resources directed and supported by the teacher.
- I will always try to be ethical and responsible when dealing with others and resources online.
- information online is the property of the publisher. I will respect copyright rules and cite sources.

I will not

- download or install apps, music or files without permission of the teacher.
- plagiarize resources.

When connected to the Internet, I will never

- reveal my personal information.
- post inappropriate material or confidential material.
