Grading Policy for Technology Class

The student's best work will always come from an interest and engagement in the class. The student's work will be evaluated based on these criteria:

S	(80-100)	Consistently superior quality. Work completed exceeds expectations. Active interest and engagement in class discussion with insightful and respectful input.
N	(70-79)	Completion of the assignments within minimum expectations. Some marked participation in class.
U	(69 or below)	Not all assignments completed properly. No effort. Disruptive behavior. Lack of participation.
