Grading Policy for Technology Class

The student's best work will always come from an interest and engagement in the class. The student's work will be evaluated based on these criteria:

S	(80-100)	Active interest and engagement in the class.
N	(70-79)	Some marked participation in class. Difficulty following instruction.
U	(69 or below)	Difficulty following instruction. Disruptive behavior. Lack of participation.
