

# Hurricane Harvey Relief Effort

During recent Hurricane Harvey, thousands of people in Houston and surrounding areas were left without homes and basic necessities.

**Saint Joseph Catholic Church and Parish School are collecting hygiene kits** to send to those in need. Our goal is 500 kits!

## **Items needed in each hygiene kit:**

- toothbrush (individually packaged)
- toothpaste
- comb
- shampoo (not too large for a gallon ziploc bag)
- small package of bandaids
- new washcloth
- deodorant
- soap bar (individually wrapped)
- lotion
- *Optional: Make it personal and include a card or prayer in each bag.*

**Items should be packaged in a gallon-sized ziploc bag.**

**The deadline is Sunday School Mass at 11:45 a.m. on Sept. 17.**

Families from our school, parish, and community will join in prayer for those affected.

*Students may bring hygiene kits to school. Parish and community members may drop hygiene kits off to a collection box outside the parish located at 958 Epps Bridge Road, Athens, GA 30606. Thank you so much for your donations and prayers.*
