Update RenWeb Information

Please help us keep your family and student information current in RenWeb. You can quickly edit the information for your family and student through RenWeb.

1. Log into RenWeb through the ParentsWeb login.
2. Click the Family Information link.

3. On the Family Information screen, click Family Demographic Form.
4. Select the child and the form you would like to edit.

5. Modify the information and click the Save button on the bottom of the form to save the changes. If you do not click the Save button, your changes will not be saved to RenWeb.
6. Click the **Return to Main Form** button on the top of the screen. Continue to make edits as necessary.

Your information will be updated in RenWeb and we will be notified of the changes.
