

Rising 3rd Grader Summer Skills Suggestions!

Math:

- Practice your basic addition and subtraction facts.
- Practice addition and subtraction **with** regrouping.
- Understand place value to the thousands.
- Practice telling time to the minute and using money (bills and coins).
- Start memorizing your multiplication facts (2s, 3s, 4s, and 5s - you can use flashcards, apps, etc.)
- Work in Simple Solutions math workbook.

Reading:

- Read at least 20 minutes every day and write a short summary about what you read.
- Practice sight words
- Set a goal to read at least one BOB book.

- Work in Simple Solutions grammar workbook

Remember that God is always with you! Keep strong in your faith by praying, attending mass, and doing your best to serve others in need.

Have a great summer!
I can't wait to see you in the fall!
