

Partnership Opportunities

2025-2026

Dear Prospective Partner,

Saint Joseph Catholic Parish School is a private school located in Athens, Georgia, providing a rigorous Catholic education from birth through 6th grade. We are committed to the education of the whole person, which prepares young people to live in freedom and independence, engaging them in the highest matters and the most profound questions of truth, justice, virtue, and beauty. Over the following few pages, we will provide a detailed overview of the events we host and the benefits we will provide you as a partner. We purposefully highlight the support from our local businesses and showcase how these partnerships benefit our school and the community.

We will demonstrate the impact partnerships have had on our school through a sample of these events and projects throughout this document. Making a positive impact on our students by building a strong relationship with local stakeholders is a mission that we plan to uphold and greatly appreciate.

If you have any questions about the contents of this packet or wish to learn more, please do not hesitate to contact us directly. Thank you for your time and consideration!

Sincerely,

Father Paul Moreau  
*Pastor, Head of School*

Dr. Theresa Bangert  
*Principal*

Mrs. Tina Bortle  
*Director of Admissions,  
Advancement, & Enrollment*

## Our Mission

At St. Joseph Catholic Parish School, we are a family of learners who model Christ in all that we do. We are happy, holy, and helpful!

## Our Motto

**Happy, Holy, and Helpful.** These three words sum up the overall character and human formation we strive for at Saint Joseph Catholic Parish School. In 1991, Pope St. John Paul II published an Apostolic Exhortation called “Pastoris Dabo Vobis” (I give you shepherds). It was specifically directed at the formation of young men for the priesthood, but the principles are excellent for all Catholic education. We should all have formation in these four areas: human, spiritual, apostolic, and intellectual. At Saint Joseph Catholic Parish School, we sum up these four areas as “happy, holy, and helpful”. Happy: Human formation tells us that when we are good, we are happier. Holy: spiritual formation means growing confident in our relationship with God through the sacraments and prayer. Helpful: Apostolic formation means we are concerned about the spiritual and material well-being of others. Intellectual formation takes place at school in all classes. We believe the essence of a Catholic school is the formation of all aspects of the human person.

## Our Vision

Saint Joseph Catholic Parish School believes Jesus is the master teacher and commits to teaching as He did. Students are developing into current and future leaders who are thoughtful, compassionate, and problem-solving while embracing a STREAM (Science, Technology, Religion, Engineering, Arts, and Mathematics) education. We strive to build self-confident students whose security is based on knowledge of God’s love for them and the value of service to others. Students are challenged to inquire about the world around them and integrate STREAM principles to impact their environment positively, both locally and globally. We are continuously striving to expand our Christ-like influence into the community, thus attracting more families to our Catholic school. Our teachers, parents, community partners, and Our Church are unified in the belief that children are the central focus of our mission.

## How Can You Help?

We are looking for Partners of various tiers to help us achieve our goals for Saint Joseph Catholic Parish School. We are looking to partner with the organizations that share our commitment to enriching the lives of our young students, dedication to seeing our school thrive, and the success of our Athens Community. We have an ambitious 5-year plan, and partnerships are key to ensuring our success.

## Our Growth Strategy

St. Joseph School is executing a multifaceted growth strategy focused on increasing enrollment, strengthening community engagement, and enhancing operational effectiveness. Our marketing plan emphasizes a targeted direct mail and social media presence to boost visibility and attract new families. Additionally, strategic investments in teacher recruitment and development, including the addition of a new administrative role to support teacher and curriculum coordination, are designed to improve retention and enhance the learning experience. The school is also exploring new revenue opportunities, such as branded merchandise and facility rentals, while continuing to expand its scholarship programs to make education more accessible. By focusing on improving its communication with teachers, parents, parishioners, and the greater Athens community, St. Joseph aims to create a strong catholic education focused on the development of the whole child.

**Prayer Partner Opportunities**

**Celebrating "World Kindness Day!"**

## Our Annual Events

The information below provides details on our most successful events that Saint Joseph Catholic Parish School holds throughout the school year. These are community-based events that include the Parish and greater Athens Community and are excellent opportunities to Partner.

### Fall Festival

The Fall Festival is hosted in October on Saint Joseph Catholic School property. This is our largest fundraising event (500+ people) and raises the most money for our school through Partnerships, event sales, and a raffle. This event gathers local friends and family to a fun-filled day of carnival games, music, and delicious food and desserts. We are even looking to add an Oktoberfest twist this year. Partners are recognized leading up to and throughout the event and are welcome to join in the fun!

### Saint Joseph 5K and Fun Run

The 5K and Fun Run is held annually in March at Sandy Creek Park. This public event is organized by Classic City Race Services on behalf of St. Joseph.

Partnerships are key to this event's success in addition to the revenue from race registration. Post race, all participants gather under the pavilion for awards and to enjoy food and refreshments donated by local businesses. With your support, we are looking to enhance this event with a variety of new activities for all to enjoy. It is an event that many community members look forward to.

### A Knight to Remember

We are bringing back a classic event for St. Joseph's 75th Anniversary. This Soirée will host over 200 of Athens' most prominent community members on a beautiful summer evening. This is a cocktail dress-inspired event with a passed hors d'oeuvre cocktail hour, plated dinner, music and dancing, silent auction, and a raise your paddle event. This event will directly benefit St. Joseph by enhancing our grounds, facilities, and classroom resources to make the Student experience the best it can be!

## 2025-2026 Saint Joseph Catholic School Partnership Tiers

We know you have many Partnership opportunities that come across your desk. We would like to offer you the following partnership tiers and benefits for the 2025-2026 school year. All benefits run from June 1st, 2025, to May 31st, 2026. While we will accept multiple *Grand Knight* Partnerships, we will limit it to one per industry to avoid competition and provide additional value. For Example, only one Bank could partner as *Grand Knight*.

Partner Benefits	Shining Knight *Platinum* \$12,000 (annual) Or \$1,000 (monthly)	Golden Knight *Gold* \$9,000 (annual) Or \$750 (monthly)	Silver Knight *Silver* \$6,000 (annual) Or \$500 (monthly)	Royal Knight *Bronze* \$3,000 (annual) Or \$250 (monthly)	Patron Knight Dollar Amount of Choice
